ropolis, figure in "The Innocence of Ruth," an Edison photodrama, released through Kleine-Edison Feature Service, to be offered at the Bijou theater Friday.

"The Innocence of Ruth" deals chiefly with the experience of a fascinating

formation that every department is again being operated with smoothness and celerity.

Donald MacKenzie, the Pathe producer, after experiencing the cold and heavy snows of the Maine woods, is going to the other extreme. He is taking his "Precious Packet" company with Ralph Kellard and Lois Meredith south and will spend a fortnight there. "Mac" says his migratory instinct is strong these days.

Edward Earle.

young girl who by her dying father had been placed in charge of his friend, a young, easy going but manful, moral millionaire. Love, of course, plays a strong part in this interesting picture, but some of the darker sides of life are also portrayed forcefully.

Viola Dana as Ruth Travers and Edward Earle as Jimmy Carter, her guardian, are featured in "The Innocence of Ruth."

William B. Mack has been added to the cast of the new play, "Any House," by Owen Davis and Robert H. Davis, which Sargent Aborn will produce in New York early in February. Mr. Mack played the leading male role in "Within the Law" during its metropolitan run.

"The Eternal City," by Hall Caine, starring Pauline Frederick, is the special Paramount offering at the Robinson Grand today.

This costly production is presented by Daniel Frohman's Famous Players-Film Company. It is pictured in eight absorbing reels and follows Mr. Caine's much read book of the same title, from start to finish. Miss Frederick is assisted by an all star cast of players who make this superb

photo spectacle more than attractive and well worth seeing.

The hero of this work of Mr. Caine's is a twentieth century Rienz, whose dream is the glorification of Italy and Rome. The monarch is to be abolished and there is to be a republic of perfect liberty, and the Pope the arbiter of the world. Rome is once more to become a model and example for all nations.

Tomorrow, William Fox will present Ralph Kellard, the popular matinee idol, with Dorothy Green in "Her Mother's Secret." This latest William Fox sensation is full of dramatic situations that grip and hold the soul of the spectacle and its climax, which, by the way, teaches a great moral lesson, is brought out with compelling, thundering, irresistible force of the setam hammer. Clergymen and educators, who have seen "Her Mother's Secret" in script form declare that its potency for good is greater than that of "The Old Homestead."

Geraldine Farrar has been re-engaged by the management of the Chicago Grand Opera Company.

Still suffering, but undaunted and determined, Producer Thomas H. Ince is working harder than ever, this week in his efforts to counteract the tremendous loss that resulted from the fire which destroyed the administration building at Inceville—the Santa Monica home of the New York Motion Picture Corporation, and announcement from the studios contains the in-

## PEARL WHITE STARS TODAY AT ORPHEUM

Popular Player Returns to the  
Screen in "The King's  
Game."

Miss Pearl White, supported by a  
very clever cast, appears in the farce  
comedy, "The King's Game," today

at the Orpheum theater. The story  
is worked out in a very interesting  
fashion and there are plenty of funny  
situations that are sure to amuse  
all. George Probert and Sheldon  
Lewis have the leading male parts.

Tomorrow and Saturday, charming  
Marguerite Fischer will be seen in  
"The Dragon," a beautiful, yet sen-  
sational society drama in five acts.

It is said that Henry Ford, of auto-  
mobile and peace party fame, is to  
back a scheme to establish a circuit  
of big theaters giving high class  
vaudeville and moving pictures at  
very low prices, to suit the purses of  
theatersgoers of poor and moderate  
means.

For the third consecutive night the  
Palace theater was the scene of an  
immense throng of people who as-

sembled to witness the performance of  
B. M. Garfield's "Honey Moon Girls" in  
"The Girl That's All the Candy." Wed-  
nesday night. The play meets with  
high favor of the patrons as it draws  
much applause at every performance.  
The cast of characters is as follows:

Tom Ward, troublesome son-in-law,  
D. P. Dickinson; Clarence Milton, col-  
lege chum, Paul Johnson; Col. William  
Payton, friend of the family, Carl  
Wallner; Ed Townsend, speculator,  
Ed Mills; Myrtle Nixon, dashing wid-  
ow, Ruby Davis; Lulu Ward, married  
daughter; Pearl Fahner; Pearl Curtis,  
alias Mrs. Townsend; Nina Sanders;  
an da bevy of pretty chorus girls who  
can sing and dance as the big added  
attraction. Fourteen song numbers  
are sung at each performance besides  
the specialties.

Tomorrow the program will be  
changed and a tip top comedy, some-  
thing entirely new, "A Woman's Pow-  
er," will be presented. A dandy four  
reel program of pictures will be shown  
just before each stage performance.

Marguerite Clark, the Famous Play-  
ers-Paramount star, whose ubiquitous  
appearance in "The Prince and the  
Pauper" has mystified many who are  
not familiar with the intricacies of  
motion picture photography, abandons  
the regalia of the royal small boy for  
the trills and frothiness of the dainty  
little lady of 1847 in "Mice and Men."

Clarksburgers who were fortunate  
enough to get into the Bijou yesterday  
were highly pleased over the finished  
acting of Mary Boland, Frank Mills  
and Willard Mack in the Triangle  
drama, "The Edge of the Abyss." This  
is declared to be among the best plays  
the Bijou has offered. The beautiful  
California scenes, the gorgeous set-  
tings, the high class photography, and  
the finished acting all make it a pleas-  
ure to see.

"A Submarine Pirate," a four act  
Keystone, with Sid Chaplin as the  
admiral, will have to be seen to be  
appreciated. There are a thousand  
laughs in it. Today is the last day  
for this program.

## FARMERS OF TWO COUNTIES HOLD MEETING

At Wyatt and Are Addressed by  
County Agents Zinn  
and Smith.

Eighty-five of the leading and most  
representative farmers of Marion and  
Harrison counties gathered at Wyatt  
Wednesday in a meeting held under  
the joint supervision of County  
Agents Smith, of Marion; and Zinn,  
of Harrison, and as a meeting re-  
markable in things accomplished it  
will be remembered by all those pres-  
ent.

One of the important results of the  
meeting was the organization of a  
farmers' club to be composed of  
members residing in both Harrison  
and Marion counties, with meetings  
held in the two counties alternately,  
and as president of which was elected  
J. T. Criss, of Marion county; E. M.  
Hess, of Harrison county, vice-presi-  
dent; and W. D. Cunningham, of  
Harrison county, secretary.

Of the eighty-five men in attend-  
ance, all were practical farmers, but  
twenty-five who were students of  
things agricultural in the two coun-  
ties, and out of the total Marion  
county sent a third of those present.  
Many traveled as far as eight miles  
over the poor roads that are in the  
districts at this time.

The sessions were called at 10:15  
o'clock and were addressed by Mr.  
Zinn on the use, and necessity of use,  
of fertilizers on the farms of the two  
counties, and particularly on the value  
of lime as a soil corrective and stimulant.  
Mr. Smith talked on fruit  
growing and specialized on the prun-  
ing and spraying phases of this sub-  
ject.

At 1 o'clock p. m. a recess was tak-  
en that the big dinner which had been  
brought in baskets could be eaten,  
and after dinner the sessions were  
resumed and continued until 3  
o'clock. The organization of the farm-  
ers' club was the biggest thing that  
occurred in the afternoon. The farm-  
ers' club will co-operate to a great  
degree with the farm agents and  
their work, and will make possible a  
greater service to be rendered the  
farmers by their agents.

One of the first things that was  
done after the organization of the  
club was the securing of a number of  
men who agreed to plant demonstra-  
tion plots to prove the practicability  
of raising cow peas and many other  
crops, and to grow special plots of  
the more common farm crops such  
as corn, under the direction and in-  
struction of the agents, and to prove  
to the community that the ways as  
taught by the agents are far in ad-  
vance of anything that has ever be-  
fore been known in the world of lo-  
cal agriculture.

### How To Get Rid of a Bad Cough

A Home-Made Remedy that Will  
Do It Quickly, Cheap and  
Easily Made

If you have a bad cough or chest cold  
which refuses to yield to ordinary reme-  
dies, get from any druggist 2½ ounces  
of Pinex (50 cents worth), pour into a  
pint bottle and fill the bottle with plain  
granulated sugar syrup. Start taking  
a teaspoonful every hour or two. In 24  
hours your cough will be conquered or  
very nearly so. Even whooping cough is  
greatly relieved in this way.

The above mixture makes a full pint  
—simply supply—of the finest cough  
syrup that money could buy—at a cost  
of only 54 cents. Easily prepared in 5  
minutes. Full directions with Pinex.  
This Pinex and Sugar Syrup prepa-  
ration takes right hold of a cough and  
gives almost immediate relief. It loos-  
ens the dry, hoarse or tight cough in a  
way that is really remarkable. Also  
quickly heals the inflamed membranes  
which accompany a painful cough, and  
stops the formation of phlegm in the  
throat and bronchial tubes, thus ending  
the persistent loose cough. Excellent for  
bronchitis, spasmodic croup and winter  
coughs. Keeps perfectly and tastes good  
—children like it.

Pinex is a special and highly concen-  
trated compound of genuine Norway pine  
extract, zinc and guaiacol, which is so  
healing to the membranes.  
To avoid disappointment, ask your  
druggist for "2½ ounces of Pinex,"—do  
not accept anything else. A guarantee  
of absolute satisfaction, or money prompt-  
ly refunded goes with this preparation.

## BIGGEST SALE

Scheduled at the Ham-  
burger Store.

Great excitement has been caused  
throughout Harrison county during the  
week by a large band of men travel-  
ing around, visiting all the homes  
and delivering large envelopes. It was  
learned Thursday morning that this  
was no other than the advertising  
force of Hamburger's Busy Store,  
which is located at 355 West Main

self. The envelopes contained large  
circulares advertising what Mr. Ham-
